A Woman's Way

Thompson Buchanan

*"A Woman's Way" belongs to a class of comedy curiously rare on our native stage in recent seasons, the comedy of smart people, with a flavor of character study to give it dignity."*

*"In this comedy, it is "inevitable" that the wife and the other woman should meet in the presence of the husband, and that they should come to open grapple under the very eyes of the audience. The joy of [Buchanan's] comedy, of course, in no small measure is due to the fact that the other woman is not at all the sort of antagonist the wife expected; that she is, in fact, charming, with worldly poise equal to the occasion."*

– Summary by Walter Prichard Eaton, 1915

01 Act 1 · 02 Act 2 · 03 Act 3
